

PRE-FINISHING SERVICE

(LIMITED 1 YEAR WARRANTY)

Bayer Built Woodworks, Inc. warrants the original owner for a period of 1 year from date of the invoice that our Prefinishing Services are free of defects and workmanship that might unreasonably affect its performance and appearance as follows:

- Cracking
- Peeling or checking
- Chalking or blushing

This Warranty Does Not Cover:

- Bleaching
- Color variation in wood graining
- Discoloration due to:
 - Yellowing
 - Fade
 - Environmental conditions

Dark colors of stains will sometimes appear as blotchy; also dark pigment paints and stains will fade over time; this is not covered under warranty.

Warranty is for the coating only and applies only if the coated product is used for the specific purpose for which it is intended.

Great care is taken to blend color standards, but variations will occur with the graining and hue of each individual piece of wood.

Color of finished product will vary due to a number of characteristics inherent to wood including: wood color, species, solid vs. veneer material, grain pattern and density.

Vented storm doors are required to prevent moisture and heat problems. Your entry door's finish will require some simple, periodic maintenance to keep it looking great and provide proper protection against the elements. Regular finish maintenance is a requirement of the warranty.

Bayer Built Woodworks maximum liability is the purchase price of the product; Finishing and installation costs are not covered by warranty.

Final credit approval will be given after Bayer Built Woodwork's inspection process.
